SUMMER 2016 INFORMATION PACKAGE
PRESIDENT'S MESSAGE**

The Otty Lake Association (OLA) Board and Area Counsellors are pleased to provide you with your 2016 Information Package. In it you will find information on how we can all contribute to keeping Otty Lake healthy, as well as information on upcoming OLA activities.

Shoreline Handbook. In 2010 all lake residences received the OLA Shoreline Handbook, and over the years we have provided supplementary information as appropriate. If you do not have a Shoreline Handbook, you can find one on our website, or your Area Counsellor can get one for you. You may want to make a point of keeping this year's information with your Shoreline Handbook for easy reference.

Email Addresses. Do we have your correct email address? This spring, in an effort to improve our mail distribution capability, we have migrated to new mail management software. If you have made changes to your address please forward your updated contact info to ola@ottylakeassociation.ca, or make your email change within MailChimp. When properties are sold, we would especially like to contact new owners and welcome them to the lake.

Get Involved. We encourage you to support the work of the OLA as we work with our community partners to ensure the long-term health and sustainability of Otty Lake and its watershed. Please take a moment to renew or take out a new membership. Would you like to get more involved in the Association? Are you interested in meeting more of your neighbours? We still have some openings for Area Counsellors and would welcome your participation.

AGM July 9th. On behalf of the OLA Board of Directors, I wish you and your family a safe and happy summer at Otty Lake. I hope to see you at the Perth Legion for the OLA Annual General Meeting on Saturday, July 9th, starting with displays and coffee at 8:30 a.m. followed by the business meeting at 9:30 a.m.

Reid Kilburn
President, OLA
