

Otty Lake 150th Celebration Maple Tree Order Form 2017

To celebrate Canada's 150th anniversary and continue the Otty Lake Association's (OLA) successful Shoreline Planting efforts, in conjunction with the Rideau Valley Conservation Authority (RVCA) we are offering 150 Maple Trees for planting on lake property this year. Celebrate Canada's anniversary by planting a maple tree or two on your property!

To ensure as many residents as possible receive a tree, we are limiting orders to two maple trees per home owner. Orders will be filled on a first come, first served basis.

We are also providing fencing and pegs at minimal cost, to ensure that your trees have a chance to take hold and grow (and not be eaten).
