

Our MailChimp Mailing List

The OLA keeps a MailChimp list for sending emails to members. You can subscribe and unsubscribe and change details yourself, but we can help you if you prefer. Just email webmaster@ottylakeassociation.ca.

How to Subscribe

Go to the little form that says "Join our MailChimp Mailing List". You can find one on the right panel of the home page, on the right panel of the membership page, or on the right panel of the newsletter page.

Fill in your email address. Your first and last name are optional.

Click on subscribe.

Go to your email program where you will get an email from the Otty Lake Association (it just takes seconds)

Open that email and click "Yes, subscribe me to this list".

How to Unsubscribe

Open a piece of Mailchimp email to your address.

Go to bottom of email. Click on unsubscribe.

A panel appears saying you have unsubscribed. Fill in a reason if you like and click Submit.

You will get an email confirmation.

How to Change Your Details

Three choices:

1. Email webmaster@ottylakeassociation.ca and explain what needs to be changed
2. Unsubscribe the address and resubscribe with the new email or name.
3. Open a piece of MailChimp email to your address. At the bottom of the email click "Update your preferences." Go to your email and open an email from the OLA that says "Update Profile". It opens a little form you can fill in. Then click "Update Profile".

Please note.

If you delete an email address, you will have to be the one to resubscribe. MailChimp prohibits administrators from doing that so that you won't get unwanted emails.
