

Your 2020 Membership

The OLA Board hopes you and your families are continuing to stay healthy during these unusual times. The weather is turning more spring-like and no doubt we would all like to be on Otty Lake.

Though the usual work on the lake regarding water testing has been restricted, some is still continuing. Also, at this point in time, plans for picking up shoreline plants at reduced rates are still underway.

This is a reminder that, in order to continue the work and education around the lake, we do rely on your membership dues. Thanks to the 130 of you who have already sent in your renewals. The response as a result of our broadcast e-mail on April 24th has been overwhelming!

Due to the COVID-19 restrictions, it has been decided that our Area Counsellors will not be making their annual visits to your homes with our information packages. That also means those of you who regularly give your dues payments to your Area Counsellor, will not have that opportunity.

We would ask that you take advantage of paying your dues of \$25 via e-transfer to financial@ottylakeassociation.ca The security question to input is "Nearest Town", and the answer is "PerthON".

Or if you prefer, you can mail a cheque made out to the Otty Lake Association for \$25 to Otty Lake Association, Box 20122, Perth, ON K7H 3M6.

Thank-you for working together to promote good water quality in Otty Lake, as well as fostering environmentally responsible use of our waters.
