

Paddle Power 2022

Paddle Power will again be held on the 3rd Sunday of August. We will gather at 10:45 a.m. on Sunday, August 21st in last year's sheltered location amongst Ruby, Clegg and Buck Islands. We will form a line, following leaders who will weave in and around the cluster of islands while photos are taken. This year's after-paddle will be to Cloverleaf Island for those interested in a social connection and the packing of a picnic lunch!
